PRIMARY EXAMINER

The following is an examiner's statement of reasons for allowance: The claims are allowable over the references in that, as argued by Applicants, none of the references of record teach the steps of 1. generating a pass and a notice by a screening agent in response to receiving a message not having a pass, 2. including in the notice information making the pass available to the sender and requesting the sender to return the pass to an indicated address and 3. including in the pass an encrypted version of the sender's address.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
